25X1 11. [ ] - [ ] Liaison Staff, called to say that his DIA liaison contact had informed him that the DIA Secretariat would like to arrange to have Bill Lewis, Administrative Assistant to Senator Margaret Chase Smith, receive an organizational briefing on CIA during Lewis' active duty tour from 4 to 17 May. We are to be back in touch with [ ] on this.

25X1 12. [ ] Richard Cook, Minority Clerk, House Banking and Currency Committee, called to say that, during hearings today on the Fiat proposal, Representative Widnall, the Ranking Republican, requested that CIA appear before the full Committee. During today's session, a senior interdepartmental group composed of John Leddy, Assistant Secretary of State for European Affairs; Lawrence McQuade, Acting Assistant Secretary of Commerce for Domestic and International Business; and John T. McNaughton, Assistant Secretary of Defense for International Security Affairs, testified on the proposal. Cook said Widnall and others would be interested in the Agency's role in the board which considered this proposal and information on the technical aspects involved. In response to my question, Cook said Representative Wright Patman was in the chair at the time Mr. Widnall made his desires known. According to Cook, the question for further witnesses is to be taken up early next week. I told Cook I could foresee problems in such an appearance but would take this up and be in touch with him.

25X1 13. [ ] Delivered to the office of Senator Karl Mundt, a letter from Legislative Counsel outlining security clearance status of Mr. John Jennings, Political Science Intern assigned to the Senator's office. Also delivered a copy of the letter to Jennings and had a rather extensive "get acquainted" chat with him.

25X1 14. [ ] Met with Phil Kelleher, House Armed Services Committee staff, and at his request reviewed with him the status of the Committee request for information relating to Soviet missile posture.
